Continuing requests for double white lines near to the Wheel public house on the A53 Leek Road and near to the sewage works at Endon have received no response. This may result in changes to the white lines and also a requested change to double yellow lines in Sutherland Road.

County Councillor Gill Heath attended a meeting of the Council to ascertain the nature of the Council's objections to the proposed closure of Footpath No. 24 in Dunwood Lane. Councillors felt that a precedent could be set if owners of land were allowed to close a public footpath and then apply retrospectively to have a closure order implemented.

An application received for a diversion to Footpath No. 4 in Dunwood Lane was supported by the Council.

A privately activated Modification Order for the footpath known as the Cinderpath, which passes a short distance through the parish, was supported. The Chairman of the railway society had visited the Council to explain the plans for the re-opening of the line.

The requested Village signs in Denford Road and Sutherland Road to delineate the boundaries between Longsdon and Cheddleton parishes had been fixed by Staffs. County Council.
